Memories light the corners  
 of my mind,  
 Misty watercolored memories  
 of the way we were.  
 Scattered pictures  
 of the smiles we left behind  
 Smiles we gave to one another  
 for the way we were.  
 Can it be that it was all  
 so simple then,  
 Or has time rewritten  
 every line?

If we had the chance to do it  
all again,

tell me, would we?

Could we?

Memories may be beautiful  
and yet,

that's too painful to remember  
we simply choose to forget.

So, it's the laughter

we will remember

whenever we remember

The way we were.

## THE WAY OUR

*Dear Mom and Dad,  
 you made us what we are today,  
 you tried to help us along the way.  
 with our skinned up knees  
 and broken hearts,  
 you always played your loving parts.  
 when things were rough we turned to you  
 you always knew just what to do.  
 we leaned on you from tots to teens  
 with all the problems in between.*

## PARENTS REMEMBER US . . .

*We were your little brides and joys,  
your darling girls, your bawling boys.  
We're older now and you're still there,  
so thank you for your loving care.  
For all the things you've helped us through  
we dedicate this book to you.*

*The class of 1980 dedicates this book  
to those who mean the most to us:  
**OUR PARENTS!** LAURIE, JULE, RHONDA,  
CHRIS*

This is how you do it right!

The 1979 field hockey team had a 5-6-1 record, placing third in the division. Miss France felt it was an educational year. "They ended up working very hard and were in a race for the sectionals." The I.V. team had only a 2-6 record, but Mrs. Frutchy said, "We learned a lot of skills of the game and how to work together as a team."

The 1979 varsity football team, 22 members strong, accomplished much more than their 2-7 record indicated. To quote Coach Monahan, "It was a good season. The kids really hung together. We played out a season that at times we didn't think we were going to finish."

## 1979 MOD-SQUAD FOOTBALL

The 1979 JV modified football team, sport-  
 ing seventh, eighth, and ninth grade students  
 overwhelmed their opponents again this year  
 to generate a 4-1-1 season. Coach Balcome  
 cited a strong backfield and an excellent line  
 as two of their secrets to success. "The past  
 three years have been my most satisfying in  
 coaching," said Balcome, reflecting on the JV  
 program's 14-3-1 record.

What do I do now

This year's varsity is a veteran team led by 4th year players Kim Krause, Jeanne Grimsey, and Va Banks. The varsity at present was striving for a league championship and a return trip to sectional competition. The JV squad has many new comers who have shown a great deal of potential.

The varsity basketball team has been led by Sr Captains Bill Humble, Rod Hettrou, Larry Meeker and Tim Stranger. The team has been very competitive and played a lot of close games. It has been a good group of guys who have worked hard to develop a competitive team. I really enjoyed working with this group of guys  
— Coach Jack Weeks

The JV's worked hard and constantly improved during the '79-80 season. There were some disappointing games, but no one gave up. According to Coach Gary Emerson, many of the players had good games this year. The team lacked consistency, but they gave their opponents some tough basketball.

# AND TO OUR FACULTY WE LEAVE:

We the Class of 1980 in a burst of generosity have decided to leave things not only to our fellow students but also to the loyal and devoted faculty who have taught us everything we know. The following teachers have taught the Class of '80 somewhere along the way and we would like to thank them for it.

To Mr. Finney we leave a pair of Mickey Mouse ears to go with his tie. To Mr. Herzog we leave the BM company (so he'll always have a computer). Mr. Barcome gets a case of his favorite Heinken. To Mr. Walker we leave a box of Wheat Thins with a lock on it (Did you ever wonder where they went?). Mrs. Caldwell we leave you about 150 overdue books. To Mr. Ainsa we give whatever's left in the bottles of toilet water that he found. To Mrs. Werthe a quiet burnetrium and Mr. Hickman we leave gladly. For Mrs. Teeter we have all our old late passes approximately 452 over the past 7 years. To Mr. Howe we leave our mixed up schedules and to Mrs. Orr we give our deepest sympathies. We leave Mr. Weeks a year's supply of JOKE signs (HAHA). To Miss Humpton we leave a wide awake and interested American Govt. class (we don't know where we find one but we'll try). We leave 3 inches to Miss Sherman and a copy of Sick Jokes for History Teachers to you know who (Hi Mr. Krause!). On behalf of the track team we leave a 48 minute mile relay team to Mr. Powers. To Mrs. Frutchy we leave another class like her Basic Comp. class and to Mrs. Piscopo we give the many illegal excuses we've written over the years. To our friend Mr. Monahan we leave the ability to talk like normal people and the calculus class leaves him another year of Steve Bandler. For the gourmets in our class we leave Mrs. Hale a new set of rules and for the typists we leave Mrs. Bryant a new supply of unbreakable typewriters. To Miss Berg we leave a mature quiet drawing class with no singing. To Zim we give a recording of the marking period speeches. To Coach George we leave the January 1980 issue of Sports Illustrated and to Miss France a five year supply of male student coaches. To the rest of the school we leave 2" parking spaces and last but not least to Mr. Reester we leave best wishes for an enjoyable year here as principal.
